QUALITY AND INNOVATION IN SKIN & BODY CARE

ABOUT US

Annabis is a cosmetic company based in the Czech Republic. The company deals with research, development, manufacture and production of high-quality hemp products and food supplements. Our products are based on many years' experience and long-lasting relations with cosmetics experts and our customers use hemp products for a wide range of needs with outstanding results. High specialization, professionalism and intense orientation on customers have enabled a dynamic development of the company and its place among market leaders.

The certified hemp varieties we use for cosmetic manufacture have no psychoactive effects. Our products based on these hemp varieties are entirely safe and there is no reason to be afraid of habit-forming substances and medical consequences.

INNOVATION

Thanks to the popularity of our products in the markets, we continuously extend our product range. Our attention is therefore focused on research and development of new products. Innovations are the key factor of our success. Research activities are secured by a team of experienced researcher professionals, in cooperation with partner companies, research institutes, colleges and universities throughout the Czech Republic and foreign countries.

PRODUCTION

Our production is situated in the European Union and take place in ISO 9001:2015, ISO 14001:2015 and ISO 22716 certified laboratories. We focus not only on the inspection of a final product but also on testing of raw materials, packaging and examination of the entire production process. All workers included in the production process are trained regularly in the fields of hygiene, safety regulations and manufacturing processes.

100% ORGANIC HEMP OIL

Organic 100% raw hemp seed oil cold-pressed, with a high content of unsaturated fatty acids and a unique balance between Omega 3-6-9. The oil is unique in its composition, characterized by its aroma, distinctive green colour and a delicate nutty flavor.

Tip for you: ideal ingredient for your cold kitchen. Take one teaspoon of the oil every morning to substitute the daily dose of Omega 3-6.

Hemp oil contains, e.g.:

- More than 80% of unsaturated fatty acids
- Vitamins (A, B – groups, E, C and D)
- Minerals (Calcium, Magnesium, Potassium and Iron)
- Phytosterols
- Vegetable dyes (chlorophyll, carotenoids)

Composition: 100% organic hemp oil.
